Holland Board of Public Works

Public Power Week Coloring Contest

Holland Board of Public Works invites you to join us in celebrating Public Power Week, Oct. 5-11, along with more than 2,000 other community-powered, not-for-profit electric utilities that collectively provide electricity to 55 million Americans across 49 states and five U.S. territories. Through the Public Power Coloring Contest, we wish to engage students and the community in a way that will enhance interest and understanding of the role that efficient, safe, reliable, and affordable electricity plays in powering our community.
