19.128 **Strategic Planning Framework Presentation**

Staff has prepared a series of presentations over the past several months covering the key issues from our last Strategic Plan update, accomplishments since that time, and common issues facing the utility overall.

In accordance with the Board's governance policies, Staff now intends to review the existing strategic planning framework with the Board. This presentation is intended to prompt questions and begin a dialogue relevant to the strategic plan review, including a review of Critical Issues areas, Strategic Directives, and identification of associated metrics that will measure success.
