

Double Down on

# Dehumidifiers

**Receive up to \$55** for swapping an inefficient dehumidifier for a new ENERGY STAR® model.

For an Energy Smart rebate application and information about the appliance recycling program, please visit:

**[hollandbpw.com/en/rebates](http://hollandbpw.com/en/rebates)**

Holland BPW Electric Customers:

**Receive a total of \$55 just for swapping out your old, inefficient dehumidifier, with an ENERGY STAR® model!**

**\$40** Dehumidifier Rebate  
- for a limited time -

Now through August 31, 2020, Holland BPW is doubling\* the rebate on ENERGY STAR® Dehumidifiers. That means a total rebate of \$40!

To apply for the rebate, download an application at [www.hollandbpw.com](http://www.hollandbpw.com).

\*Regular Dehumidifier Rebate is \$20.

**\$15** Recycling Incentive  
- with free pick up -

Holland BPW will pay you \$15 to recycle your old unit and will pick it up from your home for free.

To schedule a recycling pickup appointment, please call NOW Delivery, 616-551-5933 Ext. 6.

## Did You Know?

Dehumidifiers help reduce air conditioning usage, which saves you money. They also help to keep mold from growing in your home, making it healthier.
