find your AHRI  
Certificate

*\*Not required for AC tune-up*

## HOLLAND BOARD OF PUBLIC WORKS

Residential Energy Efficiency Program  
2022 Rebate Application

Ready to start your project? Follow these 3 simple steps.

### Step #1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with Holland BPW Conservation Programs Specialist by calling (616) 355-1534 to make sure your project is eligible for Energy Smart rebates. All equipment must be new and installed or operated in a residential dwelling where electric service is provided by Holland Board of Public Works.

### Step #2: Complete Your Project

Install your new, energy-efficient equipment following the specifications listed on page 5 of this application.

### Step #3: Apply for Your Rebate

Once your project is complete, it's time to request your rebate. Follow the Application Checklist on the cover page.

Please submit your documents  
one of two ways:

**Email** [energysmarthome@hollandbpw.com](mailto:energysmarthome@hollandbpw.com)

**Mail** Energy Smart Home- Holland BPW  
625 Hastings Ave  
Holland, MI 49423

MAKE REBATE CHECK PAYABLE TO:  Account Holder  Contractor

If 'Contractor' box is checked, invoice must itemize instant rebate and customer signature is required as acknowledgment that the contractor will receive the rebate check. Contractor must also submit a W9 form with this application. Contractor signature is sufficient if the check is going to the account holder.

**Receive Rebate As:**  Credit Posted to Account  Mailed Paper Check

\*Applications that are not checked will default to a credit on account

### Certifications and Signature

I hereby certify that:

- The information contained in this application is accurate and complete.
- All rules of this rebate program have been followed.
- I have read and understand the Equipment Specifications and Documentation Requirements included with this document. I agree to verification of equipment installation which may include a site inspection by a Holland Board of Public Works representative. I understand that I am not allowed to receive more than one rebate from this program for any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages. I understand that my submittal of the requested information is for the sole purpose of my program participation. I further understand that this information will be treated as confidential to the extent permitted by law.
- Customers whose accounts are past due will receive a bill credit, no check will be issued.

## Equipment Specifications & Documentation Requirements

### GENERAL PROGRAM RULES

This offer is valid only for Holland Board of Public Works residential electric customers for a limited time. Offer is good while funds are available, on a first-come, first-served basis. Program begins January 1, 2022, and **application must be received within 90 days of purchase and/or installation of measures or December 31, 2022, whichever is earlier.** Holland Board of Public Works reserves the right to withdraw or change this offer without notice. **Rebates may not exceed purchase price.** Ineligible rebate requests are subject to denial or repayment to program. Call (616) 355-1534 for more information.

### EQUIPMENT SPECIFICATIONS

**Central Air Conditioning:** AHRI Certificate required to verify efficiency for SEER 15, 16, or 17.

**AC Tune-Up:** A standard AC tune-up should include a cleaning and inspection of the indoor and outdoor coil, clean or replace air filter, inspect and lubricate blower, clean/inspect and lubricate motors, check/adjust refrigerant, confirm proper air flow, check condensate drain, clean debris from around condenser, perform visual inspection of entire A/C system. AHRI certificate not required.

**Mini/multi-split heat pump:** AHRI Certificate required to verify efficiency. Make and model numbers for indoor and outdoor units required. SEER 18+.

**ENERGY STAR® Room/Window AC Unit, Dehumidifier, Refrigerator, Freezer, LED Bulb, TV, Air Purifier, Monitor and Personal Computer Products:**

To verify purchase, please send in a copy of the receipt with the product model numbers on it. Additionally, provide proof of ENERGY STAR® certification. Limit of 40 LED bulb rebates per customer per year. Refrigerator must be 10 cubic ft. or larger.

**ENERGY STAR Heat Pump Water Heater and ENERGY STAR Pool Pump:** To verify purchase, please send in a copy of the invoice with the installation date, receipt with the indoor and outdoor product model numbers on it, and technical specification sheets.

**ENERGY STAR Electric Clothes Dryer:** Must replace a standard efficiency electric clothes dryer. New unit must be ENERGY STAR® certified.

**Advanced Power Strip Surge Protector** Does not require ENERGY STAR qualification. The advanced power strip surge protector must be new and have one or more outlets that have integrated automatic (controlled) shut-off when connected equipment is not being used. A copy of the receipt from the store where the Advanced Power Strip was purchased is required. Limit 4 rebates per customer per year.

**Programmable Thermostat:** Must be installed in a home with central air conditioning.
